

When you choose to learn to drive with "Passmaster Mal" you will be taught by Malcolm Watkins. Malcolm is 29 and is a local Ipswich guy.....

*"Hi I'm Mal, I've lived in Ipswich all my life, well apart from the crazy times when i was younger in Greece for the summers!!*

*I've been a DJ since the age of 16 and decided that it was time to get a proper job, so decided to become qualified driving instructor. I qualified in March 2010 and started "Passmaster Mal", its been going from strength to strength.*

*I'm currently engaged to Emmajayne and we have 2 dogs (zippy and bungle). In my spare time (not that i get much) i like to spend time with my family and eat as much spicy and hot food as possible! I love being a driving instructor and aim to make your lessons as fun and productive as possible.*

*You will find me very easy to talk to, and I've got great patience and understanding. There's no need to be embarrassed or worried about your driving, we will work on your skills and get you to a great standard! If there is anything at all that you want to talk to me about or worried about I'm ALWAYS here for you!*

*Good luck, see you in the driving street,"*
